

## May 2023 Novice Enrichment of the Day

**5/1 Super Mario** - We will set up a fun Mario themed course for your dog to collect “coins”, “break bricks”, and see your favorite Super Mario characters.

**5/3 Mud Pit** - No worries, it’s not real mud. We pretend to play in mud by using brown colored items in a pool where tasty treats & toys are hidden within.

**5/8 Gotta Catch ‘Em All** - Your dog will have to catch all the Pokémon characters and the snacks they hold.

**5/10 Gone Fishin’** - Welcome to My Dog Pond! We stock it with the best floating toys and treats a dog could ask for! When the time comes your pupper will get to stick their snoots in the water to fish them out.

**5/15 Ahhchoo!** - Tissue box busy box activity. We will take an empty tissue box and stuff it with tasty treats & fun toys. Your dog will have to use their mind & body to figure out how to free the goodies from the box.

**5/17 Pac Man** - Your dog gets to be “Pac Man” and search the yard or playroom gobbling up dots (aka food/treat pieces) along the game board. They will have to dodge the ghosts to find yummy treats located around them.

**5/22 Flip Cup** - This cool puzzle toy engages your dog’s mind & body! We fill 3 cups with yummy treats and your dog must figure out how to flip the cups to dump the treats.

**5/24 Hungry Hungry Hippos** - Just like the normal way you play the boardgame, but we remove one of the hippos for your dog’s face. They must beat the hooman hippos to the snacks first!

**5/31 FOAM PARTY!!** - You dog will get to have a blast splashing around in our safe non-toxic bubble foam! This is a great sensory experience!

*Each Friday you will get your choice in activity from Monday &/or Wednesday*

*Enrichment activities of the day cannot be used w/packages, discounts, coupons*
