**10/24 Catch the Ghost and Witches** – Will you be sending your dog on a witch or ghost hunt? Your dog will have to "fly" over the hurdles to capture the ghosts or witches.

**10/31 Trick for a treat** – Your dogs will have their choice of several novice and intermediate level trick cards placed in front of them. Placing their paw or snout on a card will determine which trick they get to learn. As their reward for a job well done, they will relax with a fall themed lickmat or Kong at the end.
