## August Advanced Enrichment of the Week Explanations

*Activities are \$17 each and available on the Thursdays listed below.*

*Not valid w/discounts, coupons, or packages*

**8/7 Race the Clock:** Your dog races against the clock to hit as many lights as possible! Using their nose or paw, pups dash around the agility yard tapping each target before time runs out.

**8/14 Strike it Big:** Your dog can either push or roll a ball toward a pyramid of stacked pins to knock them all down or become the ball themselves by running in to topple the pins with their body.

**8/21 Loose Leash Maze:** Your dog will be guided through a winding path full of turns and surprises but they must keep that leash loose! If your dog pulls or gets too far ahead, the maze pauses.

**8/28 Canine Dice Game:** Haley will roll the giant dice to see what trick your dog will perform next! Each roll brings a new surprise challenge that will keep your pup thinking fast and showing off their skills.
