## Week #1 12/29- 1/4

**Upside down Bowl:** We put your dogs' noses and lack of thumbs to the test with this activity! We will stick extra tasty treats inside of a bowl and then place another bowl upside down inside of the first bowl. Your dogs will need to figure out how to get the tasty treats inside.

**Holiday Mess:** Your dogs will be living their best lives in this super fun foraging activity! We take left over wrapping paper from Christmas morning and stuff it in one of our pools. Then we scatter tasty treats and toys within for your dog to sniff out.

## Week #2 1/5 – 1/11

**Muffin Pan Madness:** We created this fun puzzle with a simple muffin pan stuffed with treats and then covered by tennis balls. Your pupper will have to figure out how to get the reward from under the tennis balls.

**Snowman Bowling:** We get your dog moving in this fun game of Chase with snowman obstacles. We hide some treats under a few snowmen and then play a rowdy game of chase to knock them over revealing a tasty reward.

## Week #3 1/12 – 1/18

**Hungry Hungry Hippos:** This is the childhood favorite board game modified for your puppers and played with yummy food/kibble rather than the typical Hippo food.

**Wild Card:** Your choice of Novice activity from our January Calendar.

## Week #4 1/19 – 1/25

**Mud Pit:** Your pupper will get to put their sniffers to the test with this foraging activity! We take brown towels and blankets to simulate mud to keep everyone clean while sniffing treatos.

**Hamper Time:** We load up a laundry basket with toys, treats, and fun items for your dog to explore. This activity is great for their sniffer, brain, and body movement for that full body tired!

## Week #5 1/26 – 2/1

**Cupcakes 3/\$5:** Blending Puppy Cake mix with unsweetened applesauce, a touch of oil, and plenty of love, we bake up the kind of treat that makes tails wag and hearts happy. We offer 3 delectable flavors: Vanilla Birthday Cake, Banana, and Peanut butter

**Office Walkies:** We take your dog on an adventure throughout the care center. This sensory stimulating activity gets their sniffer going while working on their muscles for physical exercise. Oh yea, they will ALSO get tons of loves, cuddles, and scratches along the way!
