Week 1 3/30 - 4/5

Egg Hunt: Get that sniffer working! An old-fashioned Easter Egg hunt but for the doggos. We stuff plastic eggs with smelly treats and hide them around the yard for your dog to sniff out and enjoy.

Frisbee: This is a fun game of Frisbee to get them moving and grooving.

Week 2 4/6 - 4/12

The Floor is Lava: In this activity your dog will have to get from one place to the next on various obstacles without touching the floor because it's "lava". This is exactly like the fun adventurous games human kids and adults sometimes play.

Carrot Chomper: Imagine the game of Whack a Mole but with a carrot! Your pup will have to catch the carrot as it's popping up from the box. This is a great game for their brains!

Week 3 4/13 - 4/19

Chase the Hooman: Who's faster, your dogs or their care team friends? We will find out during this activity as your pups get to chase their hooman friends around the yard or playrooms.

Office Walkies: Your pups will get to strut their stuff while exploring our facility. This activity is a fun walk for dogs of all ages! One of their care team friends will take them on a nice walk around our buildings and yards to engage their sniffers and muscles. While getting all the scratches and snuggles they want along the way!

Week 4 4/20 - 4/26

Lick Mat Mashup (\$5 activity only): Did you know that the act of licking is soothing to your dog? This activity is all about relaxation! Pick any 2 ingredients from the list below to customize your dog's lick mat. For only \$11 more you can take a brand new Soda Pup Lick Mat home with you for future enrichment activities.

Options: Banana, Peanut Butter, Pumpkin, Sweet Potatoes, broth (frozen), Spray Cheese

Doggie Pushups: We take your dog from stand to sit to lay then back up to do it again! This is sure to burn off the extra energy and stimulate their minds.

Week 5 4/27 - 5/3

Tug it Out: What dog doesn't enjoy a fun game of Tug?

Duck Pond: Which duck will be the winner? Little does your dog know but ALL of them are! We top the ducks with tasty treats and float them in the shallow pool. Your dogs will have to figure out how to get the duck out of the water without dumping them.
